

Report – Alexa Fleming, Director at Large (Rules and Regulations)

With a full return to rugby in the 2022 season, the Rules and Regulations Committee was formed. Issues brought to the committee were minimal, with one being related to a defaulted game at the AC level and the other related to junior age-grade eligibility.

The Rules and Regulations are now being looked at by a contractor to improve some of the rugby-specific language with the goal of having an updated version ready for the 2023 season.

Prior to the 2023 season, the sub-unions (AJRA, CRU, ERU, RAMOA) will be invited to submit the name of a representative to sit on the committee for the upcoming season. If you are interested in acting as your sub-union representative, please speak with your sub-union president. 2023 will be my last year in this position. If anyone is interested in taking on the role once my term is complete, please consider representing your sub-union on the Rules and Regulations Committee in the upcoming season.
